The Honorable Rosa L. DeLauro,
Chairwoman
Committee on Appropriations
The Capitol Washington, DC 20515

The Honorable Kay Granger Ranking
Member
Committee on Appropriations
The Capitol Washington, DC 20515

Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Southwest Coastal Louisiana Hurricane Protection, LA for Federal National Ecosystem Restoration (NER) Plan project in the Fiscal year 2023.

The entity to receive funding for this project is 150 Terrace Avenue, Baton Rouge, LA 70802.

Funding would be utilized to assist with the Federal National Economic Development (NED) Plan, funding has not been obligated to the Federal NER plan. This funding would allow the Army Corps to obligate funds to the restoration component of the project.

I certify that neither I nor my family has any financial interest in this project.

Respectfully,
